[The Economics Of Sport Economics Essay](#)

This paper reviews the empirical literature assessing the effects of subsidies for professional sports franchises and facilities. The evidence reveals a great deal of consistency among economists doing research in this area. That evidence is that sports subsidies cannot be justified on the grounds of local economic development, income growth or job creation, those arguments most frequently ...

[Journal of Sports Economics: SAGE Journals](#)

Sports Economics, the most comprehensive textbook in the field by celebrated economist Roger D. Blair, focuses primarily on the business and economics aspects of major professional sports and the NCAA. It employs the basic principles of economics to address issues such as the organization of leagues, pricing, advertising and broadcasting as well as the labor market in sports.
