SPORTS FAN VIOLENCE IN NORTH AMERICA JERRY M LEWIS

Sep 28, 2020

[Sports Fan Violence In North America Jerry M Lewis](#)

Jerry Lewis has produced a gem: a complex, honest, and lucid analysis of sports fan violence. He transforms this near-pathological phenomenon into something understandable and even conventional. Always original, his treatment of fan violence as a type of social pollution is astounding, attesting to the sociological acuity of the book.

Jerry Middleton Lewis touches on this in his book Sports Fan Violence in North America. Lewis says that that the victory experience is the ultimate form of sports fan identification. He also adds that the typical violent fan wants to be part of the victory, yet they cant do any of the things that they see their favorite players doing on the court. However, they do know how to be violent ...

Violence in sports, both on and off the field, is now a world plague. All kinds of patchwork solutions are being suggested and tried. In many stadiums around the world the fans are now fenced in behind a moat, like wild animals at a zoo. In some stadiums fans of opposing teams are restricted to different spectator areas. Police and riot squads are reinforced. Some authorities have suggested ...

Spectator violence has long been associated with professional football in Europe. This article examines the issue of spectator violence from a North American perspective. We begin by noting that there is little systematic research into the scope of spectator disorder in North America. Perhaps for this reason there is little consensus about the true scale of the problem on this side of the ...
